Hot Summer Deal: Avelo Airlines Extends \$19 Fare from Phoenix to Los Angeles

PHOENIX, June 2, 2021 — Avelo Airlines, which launched in April to Inspire Travel through everyday low fares, is extending its introductory one-way \$19 fare* between Phoenix and Los Angeles through the month of June.

“Escaping the desert heat for Southern California’s majestic beaches and refreshing outdoor shopping, dining, entertainment and activities is more affordable than ever,” said Avelo Chairman and CEO Andrew Levy. “As America opens back up, traveling is at the top of everyone’s list this summer, and there is no better destination than LA to cool your heels or get away with family and friends. With fares starting at \$19, Southern California is more irresistible than ever.”

Avelo serves Phoenix-Mesa Gateway Airport (AZA) and Hollywood Burbank Airport (BUR) — both more convenient, stress-free alternatives to the major international airports in each market. Flight XP110 departs AZA daily at 9:05 a.m., arriving BUR at 10:40 a.m. Flight XP109 departs BUR at 7:00 a.m. arriving AZA at 8:25 a.m. local time.

The route is served by 189-seat Boeing 737-800 aircraft, one of the most fuel-efficient commercial aircraft globally, providing Customers with a large, comfortable cabin with more room, more seats and more seating options than the regional aircraft typically serving the airports in Avelo’s network.

Whether Customers are departing or arriving, BUR offers a refreshingly hassle-free experience. Named the 2019 “Best U.S. Airport” by Fodor’s Travel, BUR features include seamless curbside pickup and drop-off, smaller crowds, shorter walking distances from curb to gate, unrivaled speed for plane-to-carousel bag delivery, and shorter TSA security lines. No airport is closer to downtown LA, Hollywood, Pasadena and other attractions throughout Southern California — making BUR the ultra-convenient, stress-free gateway to Greater LA.

Flights between AZA and BUR can be booked on aveloair.com.
