A Different, Better and More Affordable Travel Experience

Amidst the crowds, long lines, lengthy walks and traffic congestion encountered at major airports, Avelo primarily serves smaller, secondary airports including HVN, BUR, STS, FNL, PBI, MDW, SRQ, OGD and many others. These more convenient and friendlier airports offer a refreshingly smooth, quick and simple hometown airport experience.

At Avelo, there are no change or cancellation fees, as well as no charge for Customers who choose to make reservations by phone. Additionally, Avelo offers several unbundled travel-enhancing options that give Customers the flexibility to pay for what they value, including priority boarding, checked bags, carry-on overhead bags, and bringing a pet in the cabin.

The fuel-efficient American-made 737 jetliners Avelo operates offer a more spacious and comfortable experience than the much smaller regional aircraft historically operated at many of the airports Avelo serves. Customers may choose from several seating options, including seats with extra leg room, as well as pre-reserved window and aisle seating.

Avelo is distinguished by its Soul of Service culture. The culture is grounded in a “One Crew” mindset that promotes a welcoming and caring experience. By caring for one another and owning their commitments, Avelo Crewmembers focus on anticipating and understanding Customer needs on the ground and in the air.
