Additionally, the American-made Boeing 737 jets Avelo flies offer a more spacious and comfortable experience than the small regional aircraft currently operating at most of the airports Avelo serves. Customers who value an advance seat assignment can choose from several modestly priced seating options, including seats with extra leg room, as well as pre-reserved window and aisle seating. One third of seats on Avelo aircraft are available for Customers who appreciate the comfort of extra legroom.

Avelo serves 34 destinations across the U.S. The airline has unlocked a new era of convenience, choice and competition in air travel by flying unserved routes to primarily underserved communities across the country. At least one airport on every Avelo flight is a small hometown airport – making every Avelo journey easier and more enjoyable.

At Avelo, every flight is also nonstop. This connection-free travel experience not only provides Avelo Customers with a faster and simpler travel experience, but also minimizes delays, cancellations and lost bags. In fact, Avelo has established itself as one of America's most reliable airlines with an industry-leading year-to-date checked bag handling performance.

Avelo is distinguished by its Soul of Service culture. The culture is grounded in Avelo's One Crew Value which promotes a welcoming and caring experience.
