Avelo makes getting to all that L.A. has to offer a smooth and simple experience – including world-famous beaches, shopping, entertainment and restaurants.”

Director of Aviation for the Colorado Springs Airport Greg Phillips said, “Avelo Airlines beginning nonstop service to Hollywood-Burbank offers our community an easy way to Los Angeles and the California coast. Like Avelo, COS hopes to inspire travel for our city, and we’re looking forward to watching COS grow with our new airline partner. Colorado Springs residents now have even more options at Colorado’s small airport, and this exclusive service with Avelo offers affordable and convenient air travel to the West coast.”

BUR — L.A.’s Best Airport

Situated in the heart of Southern California, BUR is surrounded by L.A.’s iconic beaches, dining, entertainment, shopping and sun-soaked outdoor recreation.

Whether travelers are departing or arriving, BUR offers a refreshingly convenient and hassle-free experience. Named the 2019 “Best U.S. Airport” by Fodor’s Travel, BUR features include seamless curbside pickup and drop-off, smaller crowds, unrivaled speed for plane-to-carousel bag delivery, faster TSA security lines, and short walking distances between the terminal and ground transportation, parking, and rental cars (instead of the time-consuming shuttle buses

required at L.A.'s much larger airport). All of this makes BUR the ultra-convenient, stress-free gateway to Los Angeles.

At the same time, Colorado Springs Airport offers a refreshingly fast, smooth and welcoming hometown airport experience. The airport's adjacency to major highways and other large cities makes it the region's most convenient, comfortable and travel-friendly airport.
