

**For Immediate Release:**

***Hello, Avelo!***  
**Avelo Airlines Takes Flight to Orlando from  
Greenville / Spartanburg**

Avelo kicks off busy summer travel season with \$19 fares to Philly  
and \$39 fares to Orlando

**GREER, S.C.; June 7, 2023** — Avelo Airlines today takes flight from Greenville-Spartanburg International Airport (GSP) to Orlando’s most convenient airport, Orlando International Airport (MCO). Avelo’s service at GSP ushers in a new era of affordable, convenient and reliable air service for the region.

Additionally, Avelo announced it is kicking off the busy summer travel season with two irresistibly low summer fares. The airline is offering a \$19\* one-way fare to Philadelphia and the greater Delaware Valley through the region’s most convenient and travel-friendly gateway – Wilmington Airport (ILG). Avelo is also offering a \$39\*\* one-way fare between GSP and Orlando. Customers can make reservations at [AveloAir.com](https://www.aveloair.com).

**Avelo Airlines Chairman and CEO Andrew Levy** said, “GSP – it’s officially time to say hello to Avelo! We’re excited to introduce Upstate S.C. to Avelo’s low fares, industry-leading reliability and caring service. With hometown airport access to Orlando, and the addition of routes to New Haven and South Philly later this month, travel from GSP is now easier than ever. And with the irresistibly low summer fares we announced today, taking that summer vacation to Orlando, Philly or the greater Delaware region is now more affordable than ever.”

Nonstop service between GSP and Orlando begins today. Avelo will initially operate this route twice-weekly on Wednesdays and Saturdays before switching to Mondays and Fridays on June 23. Avelo is the only airline offering nonstop jet service to MCO.

Avelo will also begin twice weekly service to two additional popular destinations on June 22: Southern Connecticut’s Tweed-New Haven Airport (HVN) and the Philadelphia / Delaware Valley’s Wilmington Airport (ILG) – a convenient, easy and relaxing alternative to Philadelphia International Airport (PHL). All three new routes will operate on Boeing Next-Generation 737 aircraft.

**GSP International Airport President and CEO Dave Edwards** said, “We are excited to welcome Avelo Airlines to Greenville-Spartanburg International Airport. Avelo’s new nonstop jet service

to Orlando and the Philly / Delaware Valley region provide greater connectivity and a new low-fare option for travel to and from the Upstate South Carolina region. We look forward to growing with our new airline partner – Hello Avelo!"

### **Orlando: Theme Park Capital of the World**

Endless excitement and unforgettable adventures are just minutes away for Avelo Customers arriving at Orlando's most convenient airport – MCO. Whether it's a trip for families, couples, single travelers or a group of friends, Orlando is the perfect destination that ensures a memorable vacation filled with unique experiences for every visitor. While Orlando is known as the Theme Park Capital of the World for its incredible parks and attractions, there's so much more to enjoy. The destination is also home to sizzling nightlife and a vibrant entertainment scene, craft breweries, wineries, professional sports teams and so much more.

### **The City of Brotherly Love: The Wilmington Way to Philly**

Avelo's exclusive nonstop service to Wilmington Airport is a convenient and travel-friendly alternative to the traffic congestion, crowds, long walks and inconvenient shuttle bus rides at Philadelphia International Airport. In contrast, Wilmington Airport is conveniently located a short drive south of Philadelphia – offering a refreshingly smooth, fast and simple hometown airport experience. ILG's adjacency to multiple major highways makes it the greater Philadelphia region's most convenient and travel-friendly airport, encompassing portions of four states: Southeastern Pennsylvania, Delaware, South Jersey and the northern Eastern Shore of Maryland.

### **America's Affordable and Convenient Airline**

Avelo was founded with a vision to help its Customers save money and time. Since taking flight on April 28, 2021, Avelo flown almost 2.5 million Customers on nearly 20,000 flights.

Avelo serves 44 destinations spanning 24 states. The airline has unlocked a new era of convenience, choice and competition in air travel by flying unserved routes to primarily underserved communities across the country. At least one airport on every Avelo flight is a small hometown airport – making every Avelo journey easier and more enjoyable.

In addition to offering Customers everyday low fares on every route, Avelo Customers can always change or cancel their itineraries with no extra fees. Avelo also offers several unbundled travel-enhancing options that give Customers the flexibility to pay for what they value, including priority boarding, checked bags, carry-on overhead bags and bringing a pet in the cabin.

Additionally, the American-made Boeing 737 jets Avelo flies offer a more spacious and comfortable experience than the small regional aircraft currently operating at most of the airports Avelo serves. Customers who value an advance seat assignment can choose from several modestly priced seating options, including seats with extra leg room, as well as pre-

reserved window and aisle seating. One third of seats on Avelo aircraft are available for Customers who appreciate the comfort of extra legroom.

At Avelo, every flight is also nonstop. This connection-free travel experience not only provides Avelo Customers with faster and simpler travel, but also minimizes delays, cancellations and lost bags. In fact, Avelo has established itself as one of America's most reliable airlines. In the first quarter of 2023, Avelo achieved the lowest flight cancellation rate and the second best on-time performance in the U.S. airline industry.

Avelo is distinguished by its Soul of Service culture. The culture is grounded in Avelo's One Crew Value which promotes a welcoming and caring experience. By caring for one another and owning their commitments, Avelo Crewmembers focus on anticipating and understanding Customer needs on the ground and in the air.
