### **Strong Momentum at Philadelphia / Delaware Valley's Most Convenient Airport**

Wilmington Airport is conveniently located a short drive south of Philadelphia - offering a refreshingly fast, smooth and simple alternative hometown airport experience. ILG's adjacency to multiple major highways and railways makes it the most convenient and travel-friendly airport for Philly and the Delaware Valley, which encompasses portions of four states: Southeastern Pennsylvania, Delaware, South Jersey and the northern Eastern Shore of Maryland.

Avelo Airlines took flight from ILG on February 1, 2023. Avelo currently has one scheduled 189-seat Boeing Next-Generation 737-800 jetliner based at ILG. Avelo will add a second scheduled 737-800 at ILG later this month. Avelo currently employs 90 Crewmembers at its ILG base, including pilots, flight attendants, airport Crewmembers, aircraft maintenance technicians and supervisors. Avelo is currently hiring additional Crewmembers for a variety of ILG-based roles.
