Avelo Airlines Chairman and CEO Andrew Levy said, "These three tropical destinations Avelo will operate for Apple Vacations from Lansing are the perfect debut of Avelo's international service. We look forward to offering the same reliable and friendly experience to Apple Vacations' Customers that we've been providing Avelo's Capital Region Customers since we took flight at LAN 15 months ago. Apple Vacations' selection of Avelo to operate their flights to these three popular destinations is a testament to positive reputation we've built in Michigan and across the country."

Additionally, Avelo offers twice-weekly scheduled service between LAN and Orlando International Airport (MCO). Avelo is the only airline offering nonstop service between LAN and MCO. Nonstop service to Orlando can be booked at AveloAir.com.

Since Avelo began service at LAN on October 26, 2022, the airline has flown over 30,000 Customers on nearly 300 flights. Avelo also leads LAN in reliability with a 100% completion factor, meaning there have been no Avelo cancellations at LAN since the airline inaugurated served there 15 months ago.

Capital Region Airport Authority President and CEO Nicole Noll-Williams said, “We are thrilled that Apple Vacations is back at LAN for our 2024 international season. And we couldn’t be more excited that Apple selected Avelo Airlines to operate these flights with their exceptional track record for reliable and friendly service. These nonstop flights to Mexico, the Dominican Republic, and Jamaica for 2024 are another reminder that LAN is a gateway to popular vacation destinations around the world – and it’s not too late to book your trip!”
