Avelo Airlines Flies Over 250,000 Customers at RDU with Industry-Leading Affordability, Reliability and Convenience

Travel-inspiring one-way fares start at $69

RDU AIRPORT, N.C.; April 12, 2024 — Avelo Airlines today celebrates flying over 250,000 Customers at the Research Triangle's Raleigh-Durham International Airport (RDU). This milestone is a validation of the industry-leading affordability, reliability and convenience Avelo has introduced to Triangle Region travelers since taking flight at RDU in 2022.

To celebrate this occasion, Avelo is offering travel-inspiring one-way fares as low as $69* from RDU. The commemorative fare is available at AveloAir.com.

Avelo serves six nonstop destinations from RDU: Connecticut's most convenient airport — Tweed-New Haven Airport (HVN); Manchester, N.H. / Boston, Mass.; two New York cities: Albany and Rochester; and two Florida cities: Fort Myers and West Palm Beach.

Avelo's newest route to Albany, New York (beginning May 10) is ideally timed for horse racing enthusiasts interested in attending the Triple Crown in Saratoga, less than 30 miles away from ALB. While Belmont Stakes undergoes a remodeling, Saratoga Race Course will host this prestigious event on Saturday, June 8.

Avelo Chairman and CEO Andrew Levy said, "Since arriving at RDU nearly two years ago, Avelo has introduced Triangle Region travelers to a new era of affordability, convenience and reliability. Today's milestone demonstrates the appeal our low fares, nonstop access to six popular destinations and friendly service are having with travelers throughout the region. It is also clear the travel-friendly experience RDU offers has played an equally significant role in inspiring so many people to fly with us. I am grateful to every Avelo Customer who has chosen Avelo. I'm also very appreciative of our RDU-based Avelo Crewmembers who deliver the smooth and caring travel experience that inspires our Customers to keep flying us."

Since the airline began service in The Triangle Region, the airline has flown over 250,000 Customers on nearly 2,000 flights. In 2023, Avelo expanded its presence at RDU by designating the airport as the airline's 5th operations base. Avelo currently bases two aircraft and employs over 80 Crewmembers (employees) at RDU.

Avelo is distinguishing itself as one America's most reliable airlines. In the first quarter of 2024, Avelo reported the industry's second-best on-time performance and the second lowest flight cancellation rate of any U.S. carrier. Avelo's Q1 2024 performance builds on the airline's 2023 full-year reliability leadership which delivered the lowest flight cancellation rate in the U.S. airline industry and ranked #2 in on-time reliability.

These results are based on Anuvu's independent third-party data platform (the same company and platform utilized by *The Wall Street Journal* for the publication's annual best and worst airline ranking, which excluded Avelo as well as other airlines in its coverage that did not meet the publication's size threshold). Avelo posts Anuvu's monthly industry reliability rankings and metrics at AveloAir.com.
