The more than 1.1 million Customers we’ve flown in and out of BUR since taking flight three years ago is a testament to the convenience, affordability and reliability that distinguishes Avelo. Now is the perfect time for L.A. travelers to book their summer vacation or long weekend getaway.”

L.A.'s Most Popular Airport

Whether Customers are departing or arriving, BUR offers a refreshingly convenient and hassle-free experience. Named the 2019 “Best U.S. Airport” by Fodor’s Travel, BUR’s advantages include seamless curbside pickup and drop-off, smaller crowds, unrivaled speed for plane-to-carousel bag delivery, faster TSA security lines, and short walking distances between the terminal and ground transportation, parking, and rental cars. All of this makes BUR L.A.’s most popular, ultra-convenient and stress-free gateway.

America’s Most Convenient Airline

Since taking flight on April 28, 2021, Avelo has flown more than 4.8 million Customers on over 38,000 flights. Today Avelo serves 49 destinations spanning 23 states and Puerto Rico.

Avelo has unlocked a new era of convenience, choice, and competition by flying unserved routes to primarily underserved communities across the country. Every route has at least one small, easy to use airport. This makes every Avelo journey a smooth, easy, and more enjoyable experience than contending with the crowds, congestion and long walks at larger airports.

Avelo is distinguished by its industry-leading reliability. In May, the airline ranked #1 in on-time performance and delivered the lowest flight cancellation rate in the industry – the second straight month Avelo led the industry in both metrics. Additionally, for the first five months of 2024, Avelo climbed to #1 in on-time performance and maintained the second-lowest flight cancellation rate among all U.S. carriers. These results are reported by Anuvu, a leading aviation data services company also utilized by *The Wall Street Journal* for the publication’s annual airline ranking.

Avelo Customers can always change or cancel their itineraries with no extra fees. Additionally, families can travel with ease knowing every child 13 and under will be automatically seated with an accompanying adult at no additional cost.

Avelo offers advanced seat assignments for sale. One third of its seats are extra leg room seats, ranging from 32 inches to more than 36 inches, offering a more comfortable experience for Customers who value more space. In addition to advance seat assignments, Avelo offers several unbundled travel-enhancing options that give Customers the flexibility to pay only for what they value, including priority boarding, checked bags, carry-on overhead bags, and bringing a pet in the cabin.
