Avelo Airlines Announces New Seating Options – Introducing *Stretch* and *Stretch+*

*New options include blocked middle seat for extra comfort
Avelo now offers three types of seating: Standard, Stretch and Stretch+*

HOUSTON; May 6, 2025 — Avelo Airlines announced today the launch of *Stretch* and *Stretch+*, two new seating upgrade options to provide Customers with more personal space and a more comfortable travel experience. Customers who purchase *Stretch+* will be seated in a row where the middle seat is left intentionally unoccupied. Avelo also offers *Standard* seating and *Stretch* seating, offering extra legroom.

The *Stretch* and *Stretch+* options will be available for an additional fee on all Avelo flights beginning September 3, 2025. Customers can purchase these upgrade options now at AveloAir.com for travel on or after that date.

Avelo Airlines Chief Commercial Officer Brian Davis said, “*Stretch* and *Stretch+* reflects our commitment to giving travelers more choice and comfort while staying true to what sets us apart: convenient, reliable, and affordable service. We know comfort matters and this new option offers a better experience for those who want it, without changing the value our Customers expect from us.”

America’s Most Convenient Airline

Avelo has unlocked a new era of convenience, choice, and competition by flying unserved routes to primarily underserved communities across the country. Most Avelo routes have at least one small, easy to use airport. This makes traveling with Avelo a smoother, easier and more enjoyable experience than contending with the crowds, congestion and long walks at larger airports.

Avelo offers a range of seating options. These include Standard, Stretch, and Stretch+ seating. Stretch provides extra legroom, with pitch ranging from 32 inches to over 36 inches. Stretch+ features a unique upgrade where the middle seat is blocked for added comfort and space. Customers can also purchase window and aisle seats in advance of their flight. In addition to advance seat assignments, Avelo offers several unbundled travel-enhancing options that give Customers the flexibility to pay only for what they value, including priority boarding, checked bags, carry-on overhead bags, and bringing a pet in the cabin.

Additionally, families can travel with ease knowing every child 14 and under will be automatically seated with an accompanying adult at no additional cost.
