The City of Brotherly Love: The Wilmington Way to Philly

Avelo’s exclusive nonstop service to Wilmington Airport is a convenient and travel-friendly alternative to the traffic congestion, crowds, long walks and inconvenient shuttle bus rides at Philadelphia International Airport. In contrast, Wilmington Airport is conveniently located a short drive south of Philadelphia – offering a refreshingly smooth, fast and simple hometown airport experience. ILG’s adjacency to multiple major highways makes it the greater Philadelphia region’s most convenient and travel-friendly airport, encompassing portions of four states: Southeastern Pennsylvania, Delaware, South Jersey and the northern Eastern Shore of Maryland.

America’s Most Reliable and Convenient Airline

Since taking flight on April 28, 2021, Avelo has flown more than 7 million Customers on over 56,000 flights. Today Avelo serves 53 cities spanning 21 states and Puerto Rico, as well as three international destinations: Jamaica, Mexico and the Dominican Republic.

Avelo has unlocked a new era of convenience, choice, and competition by flying unserved routes to primarily underserved communities across the country. Most Avelo routes have at least one small, easy to use airport. This makes traveling with Avelo a smoother, easier and more enjoyable experience than contending with the crowds, congestion and long walks at larger airports.

Avelo is distinguished by its industry-leading reliability. In 2024, Avelo ranked #1 in on-time performance and achieved the lowest flight cancellation rate in the U.S. airline industry. These results are provided by Anuvu, a leading aviation data services company also utilized by *The Wall Street Journal* for the publication's annual airline ranking. Anuvu's complete industry results and rankings are available at AveloAir.com.

Avelo also delivers world-class customer satisfaction, exemplified by our Net Promoter Scores (NPS), which consistently rank among the best airlines and most admired brands in the world.

Stretch+ features a unique upgrade where the middle seat is blocked for added comfort and space. Customers can also purchase window and aisle seats in advance of their flight. In addition to advance seat assignments, Avelo offers several unbundled travel-enhancing options that give Customers the flexibility to pay only for what they value, including priority boarding, checked bags, carry-on overhead bags, and bringing a pet in the cabin.
