### **Tweed-New Haven Airport (HVN) – The New Haven Way to Connecticut**

Amidst the crowds, long lines, lengthy walks and traffic congestion encountered at other airports frequented by travelers to and from the region, HVN offers a refreshingly smooth and simple alternative hometown airport experience. HVN’s adjacency to multiple major highways and commuter railways makes visiting the New England and New York regions easier than ever.

### **Charlotte’s Concord Padgett Regional Airport (USA) – Start Your (Nonstop) Engines**

Charlotte-Concord Airport is conveniently situated just a short drive from downtown Charlotte and its suburbs. USA’s refreshingly small and welcoming hometown airport size makes it a fast,

easy and stress-free alternative to the long lines, congestion and frequent flight delays at Charlotte Douglas International Airport (CLT).
